

Empowering Writers Pilot Partnership

A Strategic, Supported Path to Improving Student Writing

Our Pilot Partnership Program is designed for schools and districts that are intentionally exploring a long-term writing solution. The pilot is structured, supported, and customized to ensure meaningful results and informed decision-making.

Who This Is For

This program is ideal for schools and districts that:

- Are actively seeking to improve writing outcomes
- Have leadership support for instructional improvement
- Are willing to implement with fidelity and gather feedback
- Are considering a broader rollout if the pilot is successful

What All Pilots Include

- Initial planning session to define goals and success metrics
- Professional development aligned to pilot scope
- Classroom-Ready Resources
- Implementation Support (check-ins, guidance)
- Midpoint and Final Evaluation

Pilot Models

1. Focused Pilot (Small Scale)

- 1–2 Grade Levels
- Targeted PD Support
- Digital Instructional Resources
- Implementation Support (as needed)

2. School-Wide Pilot

- Multiple grade levels
- Professional Development to support the pilot period
- Ongoing check-ins
- Digital Instructional Resources

3. District Pilot (Custom Scope)

- Multi-school or District-wide Implementation
- Strategic Planning with Leadership
- Embedded Coaching and Support
- Customized Rollout and Evaluation Plan

Investment

Pilot partnerships are structured as a shared investment, aligned to the scope of the pilot and the level of support provided. We work with each school or district to define an appropriate level of investment based on goals, scale, and readiness.

A portion of the pilot investment may be credited toward a full implementation.

Let's Determine Fit

We begin with a conversation to understand your goals and recommend the right pilot model.
