

Editing, Revising, & More Workshop

Do you want to raise your scores on STAAR?

*Are you looking for fresh ideas for
teaching grammar, subject/verb agreement, word usage, and sentence structure?*

Empowering Writers will provide the “how” for delivering direct instruction in revising and editing. Take the mystery out of grammar, mechanics, and spelling by attending this action-packed training. Come away with so much more than just “skill and drill!”

This workshop is geared for any teacher responsible for teaching editing and revising with a focus on grades 3-4.

Participants will:

- Understand the parts of speech and how they are truly the building blocks of language!
- Learn effective strategies for revising run-on sentences, eliminating redundant ideas and using transition words and phrases!
- Explore hands-on-activities designed to make learning grammar fun!
- Take away powerful test-taking strategies that produce savvy test-takers!
- Simplify spelling to guarantee student SUCCESS!
- Receive classroom sets of student books that address both the readiness and supporting TEKS covered on the STAAR!
- Learn how to plan and pace instruction across the school year.
